### **RE: ANNUAL FEE**

Firstly I would like to congratulate all the individuals who represented their province at the recent nationals. I am sure everybody that attended would agree that it was a most enjoyable outing. Well done to EPLTBA and SCLTBA on their team achievements. Shane Webb and Chris Eberhardt whom came first and second respectively, well done boys. It was nice to see that the coastal provinces were well represented on the podium.

Last year at the meeting it was decided that each coastal province have to pay an R 500-00 affiliation fee. This fee can be seen as an administrative fee and travel fee for the executive should be needed. This money can be paid directly into SALTBA's account as there will be a separate set of books for All Coastal, Inlands and SALTBA.
