

# MY JUTJAW

On Sunday 5<sup>th</sup> September, I went fishing with my dad.

The whole day we caught nothing, when suddenly I got a bite. I reeled in as fast as I could. My dad looked over the side of the boat. At first he thought it was a small cob, but he was wrong...

When the fish was on board we had a proper look at the fish. We didn't know what kind of fish it was. I took a photo of the funny looking fish. When we got home my dad and I went to look on a poster we had, to see what kind of fish it was. It was a JUTJAW!
