

Southern Cape Deep Sea Angling Association

2010 / 2011

League Rules

1/League points will be calculated over 4 fishing days. Individual anglers and skippers.

2/Alternative dates will be set out and confirmed 5 days before comp depending on weather, the Heads will be the bench mark for a weather call. The SCDSAA comp officer will be responsible for the weather call and lease by means of email/tell to respective clubs regarding the call.

3/Only 10kg line class may be used. No other reels with heavier line may be present on the boat during a league comp. Only 2 rods per person may be used at any one time.

4/All skippers agree random checks may be carried out on their respective boats, samples of line from reels for testing, amount of fish on board(no more than 10 per person) minimum lengths and quantities as per Cape Nature. The minimum weight per fish shall be 1kg but minimum size limit comes first.

5/Only the attached score sheet will be used and must have all signatures and completed in full to qualify.

6/Skippers / anglers may launch at any of the participating club launches. Club Weigh master and competitions officer to verify all fish, weights, size and amounts. All completed score sheets to be faxed/emailed to the SCDSAA Competitions officer no later than 5 days after comp.

(Glenn Ballantine Fax – 044 382 3621 or Email – glennbal@lantic.net)

7/For the skippers points only 4 anglers scores per boat shall count towards his/her score. 5 anglers per boat the best score will not count 6 anglers per boat best and worst scores will no count and so on.

8/Scoring will be as per SADSAA for anglers and skippers.

9/Launching will be first light. No lines up time but scales must close at 16h30 sharp.
