Dear Sir

Christmas Vale Ski Boat Club – 2011 Annual Inter Club

On behalf of the Christmas Vale Ski Boat Club, I would like to thank you and your club for sending a team to represent Knysna Deep Sea Angling Club at our 2011 Annual Inter Club.

Knysna DSA have been stalwarts of our Annual Inter Club for many years and always send a great team of anglers.

This year was no exception and it is always great to have your members here. Knysna DSA are becoming "house hold" names at Christmas Rock and true competitors.

Knysna Deep Sea Angling Club can be proud of their members as they were good ambassadors and fine sportsmen which we would welcome back year after year.

Their hosts for the weekend, Derrick & Geraldine Cronje enjoyed their company tremendously, commenting that they were a fun bunch of deep sea anglers.

We trust that you will continue to support our Annual Inter Club and look forward to extending an invitation to the Knysna Deep Sea Angling Club again in 2012.

Yours Sincerely

Brendan Cronje
Chairman
